EXPERIENCE

PhD Candidate in Economics

Since 2024

Bureau d'Economie Théorique et Appliquée (BETA) - UMR 7522 (Strasbourg)

- Thesis title: Trust in Government and Macroeconomic Performance: An Integration of Theoretical Frameworks, Measurement Innovations, and Empirical Evidence from EU and OECD Countries
- Supervised by Prof. Amélie Barbier-Gauchard and Thierry Betti, PhD

Teaching assistant

Since 2024

Faculty of Economics and Management, University of Strasbourg

- Statistics and Probability III, second-year bachelor students, 36 hours
- Macroeconomics II, first-year bachelor students, 24 hours

Research Assistant

May - July 2023

Bureau d'Economie Théorique et Appliquée (BETA) - UMR 7522 (Strasbourg)

- Internship under the supervision of Prof. Jamel Saadaoui
- Tasks: Evaluation of different measures of trust in government, database construction, and an economic analysis of the evolution of trust in different OECD member countries from 2006 to 2021

EDUCATION

Master's Degree in Macroeconomics and European policies

2024

Faculty of Economics and Management, University of Strasbourg

Thesis: Trust in Government amid News and Noise Shocks: A DSGE Modeling Perspective

Magistère Génie Economique

2024

Faculty of Economics and Management, University of Strasbourg

Thesis: Trust in Government and Macroeconomic Performance

Bachelor's Degree in Economics-Management, Minor in Economic Analysis

2022

Faculty of Economics and Management, University of Strasbourg

Thesis: The Impact of the COVID-19 pandemic on the Latin American labor market and informality

TRAINING

Summer Workshop on Macroeconomic Challenges and the Role of Policy

June 2025

Bank of Greece and Athens University of Economics and Business

- Focus of the program: Build on the neoclassical growth model to explore how modern macroeconomic frameworks can be adapted to address key real-world challenges, such as public debt sustainability, inequality and climate change.

Winter school: Advanced Macro-Modelling

December 2024

School of Economics, University of Surrey (online)

- Focus of the program: Advanced techniques on DSGE modeling regarding Heterogeneous Agent New Keynesian (HANK) models, central bank communication, imperfect credibility, and optimal monetary policy and taxation.

Summer school: Dynare

May 2024

Dynare, with the support of the École normale supérieure, CEPREMAP, and DSGE-net

- Focus of the program: Introduction to Dynare and to Dynamic Stochastic General Equilibrium (DSGE) modeling, with a focus on simulation and estimation of these models.

Summer school: Macroeconomics - Understanding macroeconomic fluctuation

June 2023

Paris School of Economics

- Focus of the program: Essential concepts and state-of-the-art research in fiscal policy in open economies, HANK models, the analysis of asset bubbles, and employment fluctuations.

ONGOING PAPERS

Barbier-Gauchard, A., Berrou-Amezaga, C., & Betti, T. “Noisy Signals, Volatile Economies: The Role of Fiscal Announcements and Noise”.

Berrou Amezaga, C., Betti, T., & Mouminoux, C. “How Do Consumers Behave in the Presence of Noise in Fiscal Policy Announcements ? A Lab Experiment”.

RESEARCH STAYS

Visiting PhD Researcher, University of Konstanz
Konstanz, Germany

June-July 2025

CONFERENCES AND SEMINAR PRESENTATIONS

(Forthcoming) 27th INFER Annual Conference
Rome, Italy

September 2025

Seminar in macroeconomics of the University of Konstanz
Konstanz, Germany

June 2025

9th European Workshop on Political Macroeconomics
Lille, France

June 2025

Augustin Cournot Doctoral Days
Strasbourg, France

April 2025

ERMEES Seminar (Internal)
Strasbourg, France

January 2025

AWARDS

Best Poster Award (Co-winner)
Augustin Cournot Doctoral Days

April 2025

RESPONSIBILITIES

2nd BETA Workshop on DSGE models
Member of the scientific committee

May 2025

Franco-German Conference “Economic Resilience and Borders”
Member of the organization team

May 2024

The 6th IEEE GOL Conference on Logistics Operations Management
Member of the organization team

June 2022

Conference for the 50th anniversary of the BETA Strasbourg
Member of the organization team

May 2022

SKILLS

Economics: Economic and econometric analysis, Writing of economic reports, Economic research, Database construction and analysis

Cross-functional: Adaptability, Critical thinking, Synthesis, Decision-making, Autonomy, Teamwork

Computer Science: R, Stata, Dynare, MATLAB, Microsoft Office, L^AT_EX

Languages: Spanish (Native), English (Fluent), French (Fluent), Italian (Good command), German (Notions)
