Microeconomics principles (tutorials - 45h)

Health and society (lecture - 3h)

## PUBLICATION

---

Lucie Calanca-Simonutti , Jean-Baptiste Delaye , Jules Ducept , Samuel Ligonnière , Solange Ulrich " Investissement vert et fonds structurels européens : répartitions et déterminants au niveau communal ", Bulletin de l'Observatoire des Politiques Économiques en Europe, vol. 45, 13 - 22, Hiver 2021

## WORK IN PROGRESS

---

### Access to gynecological cares in France

Study on access to gynaecological care in France based on the availability of health professionals. I am studying the individual characteristics of healthcare professionals as a determinant of whether they accept new patients and the waiting time for the first available appointment. This work is based on data scraped from the online booking site Doctolib.

## SCIENTIFIC VISITS

---

Visiting research at Konstanz Universität (April - June 2024)

## COMMUNICATIONS

---

### 2024
